

HADRIEN ALLEMON

WEB DEVELOPER
WALOON BRABANT - BELGIUM

SUMMARY

Passionate Developer with a flair for creating elegant and clean solutions. I specialise in front-end development, but I acquired some solid basis in back-end during my career. My experience in self-teaching makes me a highly autonomous worker who makes it a point of honour to write clean, formatted code. I actively seek a workplace where I could grow as a developer.

SKILLS

Languages: JavaScript, TypeScript, Python, C#.

Front-End: React.js, jQuery, CSS, HTML, Redux/Saga.

Back-End: ASP.net, Node.JS

Databases: MySQL, T-SQL, PLSQL.

Design: Photoshop, Aseprite.

Other: GIT, GitHub, Azure, Agile, DevOps, SharePoint.
